

St. Mother Teresa High School

April 2019

Hello from St. Mother Teresa Catholic High School;

We just wanted to send a quick note wishing you blessings over Easter. The Passion ends with Jesus's crucifixion but is followed by the celebration of His rising for us. It is the beginning of a renewal much like spring itself. On behalf of our staff at St. Mother Teresa, we hope that your family finds time to be renewed and refreshed in the company of each other.

In other news, we received information regarding administrative staffing for next year. As you may have already known, John O'Connor VP is retiring at the end of the year. Ryan Jolicoeur will be our new Vice-Principal arriving from St. Joseph High School. In addition, I have been promoted to the position of Superintendent of Learning Technologies with responsibilities for the St. Joseph and Notre Dame families of schools. I will certainly miss St. Mother Teresa High School. It is a special place. There is excellence in community and in pedagogy. There will be plenty of time for goodbyes later! I would like to welcome Julie Mathe from Frank Ryan Intermediate school. Julie has a wealth of experience and I am very confident that the community will continue to thrive under her leadership. All the best!

Geoff Edwards
Principal
