

Welcome to Mother Teresa. Your very presence indicates the value you place on your child's education. We are excited about the upcoming school year and are pleased that you have an opportunity to meet with our staff. The education of a child is a partnership between home, school and parish, and we are certain that you will be impressed with the quality of our teachers. At this point in the school year, it is too early to discuss individual progress, however any questions regarding curriculum are encouraged

Mother Teresa High School Program Night September 24th, 2015
