Principal's Message: Fall is certainly in the air. We hope everyone had a great Thanksgiving and enjoyed time with family and friends. We had a great start to the school year. Ninety-three students attended this year's Leadership Camp and are now tasked with bringing what they learned back to our student population within school-wide initiatives. We would like to thank you, our parents, for attending and being active participants during our Program Night and Gr. 12 Parent Information Night. Students and staff were blessed to celebrate mass and hear an inspiring message from Father Frank. This inspiration continued when many of our student athletes listened to a panel of former professional athletes and their challenges with concussions. On September 30th, our school community showed our commitment to truth and reconciliation by wearing orange t-shirts in honour of our Indigenous Peoples who experienced life in residential schools.

So far this month, we have celebrated our High School Academic Awards where students were recognized for their achievements in specific subject areas and/or honour roll in the school year 2018-2019. Once again, our parents attended in large numbers and showed their support for our students. We look forward to seeing many of you again at our upcoming Parent-Teacher Interviews.

Please do not hesitate to contact your child's teachers and/or Vice-Principal. We are always here to help and/or answer questions.

Mme Julie Mathé
